TAKE A SWING FORE THE LUNGS WITH US!

OUR MISSION

The CamO Fund was organized to support patients and families affected by Childhood Interstitial Lung Disease (chILD), fund research, advocate for patients, promote normalcy through community, inclusion, and involvement, & raise awareness of these rare pediatric conditions.

YOU PLAY

Through your participation, we are able to raise money to improve the lives of patients like Cameron & families like the Olsons.

THEY CONTINUE

With your help, these chILD families are continuing to play sports, travel, grow, learn, stay active in the community & more!
